NO. SCERT/ Acad./MSF/OTCBP/ 1252

Dated: - 08/01/2019

To,
The Headmaster/Headmistress/Principal

Sub: **Online Capacity Building Program for Teachers (OCBP)**

Sir/Madam,

The State Council of Educational Research and Training (SCERT), Goa in collaboration with Million Sparks Foundation (MSF), Delhi will conduct **Online Capacity Building Programme** (OCBP) on the topic of **Plant Physiology** from **15/01/2019 to 24/01/2019**. Following is a brief outline of the topic with registration details.

In the subject of Science, it is very important to know the functions of living organisms and its parts. Plant Physiology deals with the various functions of life which take place inside the plants like Photosynthesis, Respiration, Reproduction and many more. The knowledge of plant physiology has a wide scope in agriculture fields, medicine, food production, and textiles. In order to ensure that teachers feel empowered to transact such concepts into the classroom effectively, this training equips the teachers with conceptual understanding, multiple teaching strategies, awareness of possible misconceptions and their remedies, evaluation strategies along with sample worksheets to make students exam ready.

The **online registration** for the training on the ChalkLit app will remain open from **09-01-2019 to 14-01-2019.** You are requested to select and instruct the teachers teaching Science to register online on the ChalkLit App and participate in the program. To register the teachers are required to first download the **ChalkLit** App from the Google Play or App Store (iOS - goo.gl/XUydte and Android - goo.gl/xR8wNz) on their mobile phones or login to **http://www.chalklit.in** on the computer. The teachers can refer to the ChalkLit App registration instructions in the poster attached. The ACCESS CODE for the training registration is **PPJ2019**.

Teachers' progress in the training will be monitored through the in-built system in the **ChalkLit App.** The participating teacher should score at least 40% aggregate on the take a test and post-test in the training to be eligible for the certificate. Teachers who successfully complete the training will be notified about the same and will be eligible for the award of certificates. The certificate will be available online through the ChalkLit app. Teachers can use this certificate for their professional development while writing their resumes for the "Confidential Report" (C.R.).

Your encouragement to teachers in your institution to register online before the due date will be highly solicited. A poster containing more details about OCBP is attached herewith for the information of teachers. For further information or queries kindly connect to the ChalkLit Helpline **8448494009** or click on the '**Contact us**' link in the App.

Yours faithfully,

STATE COUNCIL OF EDUCATIONAL RESEARCH & TRAINING ★ GOVT. OF GOA ★

STATE COUNCIL OF EDUCATIONAL RESEARCH & TRAINING, GOA

PRESENTS

ONLINE CAPACITY BUILDING PROGRAM

SCERT Goa is pleased to announce its new project 'Online Capacity Building Program (OCBP)' launched in collaboration with Million Sparks Foundation (MSF) to equip teachers with latest pedagogical tools. The program is conducted through a mobile centric application "ChalkLit" developed by MSF.

Advantages

OCBP vs in-person training sessions:

1 Self-paced

With mobile and web based training the teachers have the flexibility of completing the training at their convenient time and pace. They are no longer required to miss classes or travel for attending the training programmes.

2 Availability of TLMs

Teachers can continue to access the training material & resources on their device of choice (phone/laptop/ desktop) even after completion of the training period.

3 Quicker doubt clarification

Online teacher training allows a teacher to raise queries without any hesitation or fear of judgement unlike a physical training session and provides doubt resolution by our team of subject experts within 24 hours.

Benefits

Online Capacity Building Program

1 In-Class TLMs

ChalkLit app provides easy access to curated teaching & learning materials and resources that include activities, videos, infographics, assessment sheets to address common misconceptions of students and save teachers' time.

2 Curriculum aligned

All academic trainings are aligned with the curriculum for building in-depth conceptual knowledge & pedagogical understanding & equipping teachers for practical application in class.

3 Platform for Knowledge Sharing

Teachers can connect with mentors, subject experts and peers on ChalkLit community to share & learn together. The community feed provides latest updates on classroom management techniques, tips & tricks, news feed from various educational channels.

SCERT Goa will select teachers batch wise for the Online Capacity Building Program. Circular regarding the program will be sent to the schools as and when it is scheduled.
