To,
The Headmaster/Headmistress/Principal

Sub: **Online Capacity Building Program for Teachers (OCBP)**

Sir/Madam,

The State Council of Educational Research and Training (SCERT), Goa in collaboration with Million Sparks Foundation (MSF), Delhi will conduct **Online Capacity Building Programme** (OCBP) on the topic of **Prevention of Child Sexual Abuse** from **11/03/2019 to 20/03/2019**. Following is a brief outline of the topic with registration details.

The phrase 'child sexual abuse' is powerful enough to instill a feeling of fear within us. We, as educators, need to realize that there is an urgent need to save our children from sexual abuse as it can have a serious impact on their wellbeing and development. To truly address this concern, we need to become more aware of all the aspects of this problem. This training is one such step in this direction to help us know what child sexual abuse is, in how many ways it might be happening around us, and how just being aware of such things can help us bring out its existence in our vicinity, thereby making a change in the life of that one child who might be on the receiving end.

The **online registration** for the training on the ChalkLit app will remain open from **01-03-2019 to 10-03-2019**. You are requested to select and instruct the teachers of all subjects to register online on the ChalkLit App and participate in the program. To register the teachers are required to first download the **ChalkLit** App from the Google Play or App Store (iOS - goo.gl/XUydtc and Android - goo.gl/xR8wNz) on their mobile phones or login to <http://www.chalklit.in> on the computer. The teachers can refer to the ChalkLit App registration instructions in the poster attached. The ACCESS CODE for the training registration is **PCSA2019**.

Teachers' progress in the training will be monitored through the in-built system in the **ChalkLit App**. Teachers who successfully complete the training will be notified about the same and will be eligible for the award of certificates. The certificate will be available online through the ChalkLit app. Teachers can use this certificate for their professional development while writing their resumes for the "Confidential Report" (C.R.).

Your encouragement to teachers in your institution to register online before the due date will be highly solicited. A poster containing more details about OCBP is attached herewith for the information of teachers. For further information or queries kindly connect on the '**Contact us**' link in the App.

Yours faithfully,

(N. G. Honnekeri)
