Sub: Learning Materials/Worksheets for Primary Schools.

Sir/Madam,

The Directorate of Education, State Council of Educational Research and Training (SCERT), Goa Samagra Siksha (GSS) and DIET with the contribution of teachers, teacher educators and technical support group have designed learning materials/ worksheets for the students of Classes I – IV in all the subjects for the 3rd and 4th Weeks. The materials are available at the website of SCERT, Porvorim and also sent to you on your official email.

You are directed to ensure that the in-charge/teachers of all the Government Primary schools make the required number of photo copies to distribute the same to all students. Parents are required to collect the worksheets from schools/teachers on behalf of the students by following social distancing norms and after completion, the same are required to be submitted to the schools/teachers for assessment/ correction. All primary school teachers need to maintain the record of the same for continuous and comprehensive evaluation of the students.

The cost of making photo copies of the materials may be borne from annual grant to Govt. Primary Schools under GSS in consultation with the concerned BRCC of the taluka.

Further, teachers are required to continue preparing such worksheets and other related learning materials in all subjects and make the same available to students to ensure that students' learning remain unaffected by preparing continuous learning plan of students.

Yours faithfully,
