To  
All Headmasters / Principals  
Government and Government Aided Secondary and  
Higher Secondary Schools of Goa

**Sub: TCS iON Career Insight and TCS iON Career Edge**

Sir/Madam,

The State Council for Educational Research and Training (SCERT), Government of Goa, has signed an MoU with TCS iON, a unit of Tata Consultancy Services. The prime focus of this partnership is to expose our students in Goa to a Career Canvas through which they become aware of different careers and a huge repository of job roles along with the pathways to them.

TCS iON through the present partnership offers two products. They are, TCS iON Career Insight and TCS iON Career Edge.

1. TCS iON Career Insight: Under the said product, the '*Explore Careers Programme*' is pitched for students at three levels as specified below which is free of cost.

Sl. No	Category	Age Group (in years)
01	Students in Class 8 - 10	13 - 15
02	Students in Class 11 - 12	16 - 17
03	Career Seekers	18+

They also offer '*Discover Yourself*' and '*Get Guided*' which is at a cost.

2. TCS iON Career Edge: This programme equips youth with the much-needed core competencies and employability skills such as; communication, collaboration, business etiquette, financial and digital literacy skills and allied skills so as to be gainfully employed. TCS iON Career Edge - Young Professional is an *online free to access* 2-week career preparedness course wherein the taker has to invest around 7 – 10 hours/week to complete the programme.

In order to seamlessly deploy these programmes at the school and higher secondary level (secondary level according to NEP-2020), **each school** has to nominate a Single Point of Contact (SPOC) and an Assistant to the SPOC.

P.T.O.

2

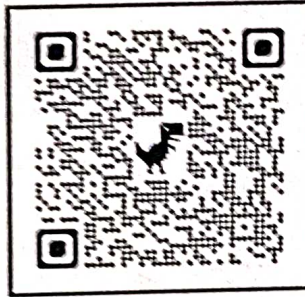

The SPOC must ideally be an energetic and committed *teacher* towards careers. The *Assistant to the SPOC* can either be the *school counsellor* or a *teacher*.

The SPOC and Assistant to SPOC will be trained by TCS iON through the online mode on 13<sup>th</sup> & 14<sup>th</sup> June 2024 in the afternoon from 3.00 p.m. to 5.00 p.m. Kindly submit the details of SPOC and Assistant to SPOC through the below mentioned Google Form on or before 08<sup>th</sup> June 2024 by 1.00 p.m. positively.
