

# Expand your horizons! Go beyond the conventional paths.

## Career Insight – Explore Careers

A one-of-a-kind career counselling program that helps you consider and evaluate various career options and academic pathways!

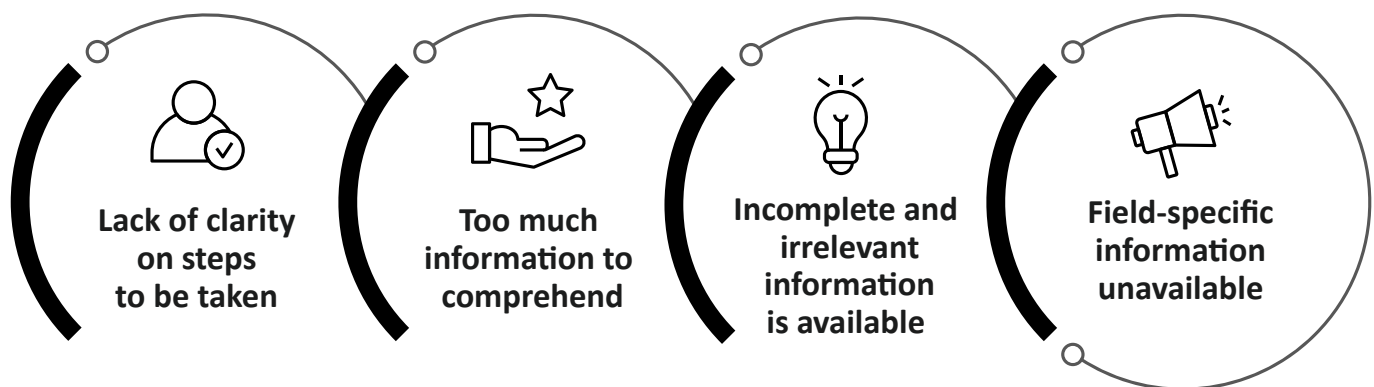

## Overview

The "World of Work" is booming with new and classic job options for young people. Finding the best match to pursue while navigating numerous possibilities is challenging. Besides traditional employment options, a lot of new ones are constantly developing. Data scientists, sports managers, ethical hackers, and many other career paths are gaining popularity. Youngsters frequently struggle to find their perfect fit and may choose careers that may not be suitable for them.

**Students often say it is tedious to decide on a career option!**

**But why is it so?**

(Source: Wheebox India Skill Report 2020)

**Can something be done about it? Well, of course!**

## About Tata Consultancy Services Ltd (TCS)

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 50 years. TCS offers a consulting-led, cognitive powered, integrated portfolio of business, technology and engineering services and solutions. This is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 606,000 of the world's best-trained consultants in 55 countries. The company generated consolidated revenues of US \$25.7 billion in the fiscal year ended March 31, 2022, and is listed on the BSE (formerly Bombay Stock Exchange) and the NSE (National Stock Exchange) in India. TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index.
