Govt. & Govt Aided High Schools

**Subject:** Conducting Cyber Awareness Sessions Trained Computer Teachers for Teachers and Students

Dear Sir/Madam,

The State Council of Educational Research and Training (SCERT), in collaboration with the Cyber Crime Cell of Goa Police, recently conducted a series of one-day training workshops for IT/ITES teachers under the “Cyber Surakshit Goem” campaign. This initiative aims to equip schools to effectively address the growing concerns of cyber security and awareness.

We are pleased to inform you that the computer teacher from your school has successfully attended this training. To extend the benefits of this program, your school is instructed to:

1. **Organize Cyber Awareness Sessions:**
  - Conduct training sessions for your students and staff, focusing on cyber security, online fraud prevention, and safe digital practices.
  - Utilize the knowledge and resources shared during the SCERT workshop.
2. **Timeline and Documentation:**
  - Ensure these sessions are conducted **at the earliest** to maximize outreach and impact.
  - Submit a detailed report of the sessions conducted, along with relevant photos and any additional supporting documents.
3. **Reporting Format:**
  - A Google Form has been created to streamline the submission process. Kindly upload the photos and session report using the link provided below:

<https://docs.google.com/forms/d/e/1FAIpQLSfhGXG9dtl6V1PTH6e9gSewtsnTFwvVf1FlzmtWba7HnToaPw/viewform?usp=sharing>

Your cooperation in this matter is critical and urgent to build a cyber-safe environment for students and educators alike. By leveraging the expertise of trained teachers, we can collectively work towards making schools a hub of cyber awareness and safety.

Looking for your prompt action and continued support.

Yours faithfully

  
(Sarita Gadgil)  
Director SCERT Goa
